Re: Tucson Electric Power Company – Residential Bill Comparison Program
Docket No. E-01933A-07-0401, Decision No. 72254 (April 7, 2011)

Pursuant to Decision No. 72254 Tucson Electric Power Company (“TEP”) was required to file a Measurement and Evaluation Report (“MER”) on the results of the Residential Bill Pilot Program (“Program”), with proposals regarding continuation, termination, redesign or expansion either within 90 days of the evaluation of Phase 1 or by December 31, 2012. The Program did not commence until October 2011 and therefore the evaluation of Phase 1 is not yet complete. TEP is diligently gathering and evaluating the information needed for the MER and will file it by March 1, 2013.
